Try the Clearlaw wordsearch while you're on lockdown! There are 25 words to be found – remember they can run diagonally, from bottom to top or top to bottom, and sideways (backwards or forwards).

The 25 words are related to or used in the legal sector. Of the 25 words, 3 are in fact part of a set of 2 words each e.g. police officer. The 2 words are joined so you'll find them next to one another.

Draw a circle around each word once you've found it so you don't confuse those letters with your search for other words, like this:

H	Z	F	A	I	R	O	R	U	L
F	Q	U	N	O	Y	K	A	U	S

The answers will be published on Friday 17th April 2020.
